

# Brizlincote Nature Walk

Here is the ancient woodland path, an adventure from the top of Tower Road by the Water Tower, to Elms Road.

Here is one of Burton's first community orchards, it is managed by the Borough of East Staffordshire's Leisure Services. Can you spot the apple and pear trees?

**WILDFLOWER MEADOW**

Rich variety of plants helps to support many species of butterflies, moths and insects which, in turn, attracts birds.

This area can get quite boggy, you may need your wellies here!

This part of the nature walk starts at the bottom of Greenvale Close and leads to Violet Way. Look out for grey squirrels here.

**THE TALL TREES WALK**

- Brizlincote Nature Walk (4.5miles)
- The Elms Pub
- The Water Tower
- On-street Parking
- Information Boards
- Beech Tree
- Nature Reserve
