**S1/19 Apologies** – apologies were received from Councillors Hyde, Cowan and Page.

**S2/19 Precept** - As there was no Parish Council Meeting held in December, a Special Meeting of all the Councillors was held to decide the Precept figure.

It was proposed by the Chairman that the Clerk apply to ESBC for their recommended Precept of £14,460.75 which is £119.75 higher than the previous year but will not affect the Parish rate. This was seconded by Councillor Judd and approved by all.

There were no further discussions and the meeting was then closed at 19.30.
